RE: SPECIAL CONDITIONS PERTAINING TO SALE OF AIRCRAFT

Australian National Disposals (No 2) Pty Limited (ANDPL2), the Commonwealth and Graysonline will not be providing support to any purchaser of ex-Defence PC-9/A Pilatus and Kiowa aircraft post the sale of the aircraft.

All aircraft will be sold on an as is, where is basis. ANDPL2, the Commonwealth and Graysonline will not warrant or guarantee any sale aircraft, inventory or information provided. If FAA or CASA certification is required, the new owners will be required to obtain the FAA or CASA certification independent of any assistance from the Commonwealth, except for the provision of data for Kiowa aircraft.

ANDPL2 will provide the Commonwealth's Computer Aided Maintenance Management Version 2 (CAMM2) maintenance history data for all Kiowa aircraft and spares as available. Neither ANDPL2 the Commonwealth nor Graysonline will warrant or guarantee the maintenance history data provided or confirm its completeness.

ANDPL2 will not provide any maintenance history data for the five PC-9/A Pilatus aircraft to be sold during the 2019 Avalon Air Show.

The PC-9/A Pilatus aircraft, and parts thereof and inventory may be subject to Swiss, USA and Australian export controls. As such, owners are required to independently identify and adhere to all applicable export controls.

Yours sincerely

Luke Parker
Chief Executive Officer
